

HOW DESIGN LIVE WHAT TO EXPECT - OUR HEALTH & SAFETY PLAN

HOW Design Live is excited to welcome our community to Nashville to build and strengthen relationships. Our team is committed to creating an event experience where our community, partners, staff, and the local workforce can **safely and effectively conduct business.**

We are taking extra precautions, beyond those mandated by government and local authorities, including temperature checks and face masks required of all persons entering the event space, without exception.

Read on to find out what health measures we have in place and how you will play a role in moving business forward safely.

BEFORE YOU ARRIVE

Have you completed a self-assessment, and are you symptom-free? If you feel sick, please stay home. Use the CDC COVID-19 Self-Checker to get help assessing symptoms, making decisions and seeking appropriate medical care by clicking [here](#).

- Check your flight and travel arrangements. Be mindful of current travel restrictions in place to and from their destination, as well as selected airline policies.
- Have your digital or print registration confirmation ready when you arrive—the more prepared you are, the faster entry will be.
- Please make sure you have packed face masks; this is required at all times. Children under the age of 2 are the only exception.
